Dear Harry

Thank you for your donation of £200,000 to The Royal Marsden Cancer Charity from The Hall Hunter Foundation – the first instalment of your incredibly generous three-year pledge. Please accept this letter as our official receipt.

Your donation will be used to continue funding the Hall Hunter Fellowship in Paediatric Neuro-Oncology and Drug Development, and the Hall Hunter Clinical Trial Coordinator for Paediatric Neuro-Oncology Studies. Thanks to your support to date, these two roles have already enabled significant progress in paediatric neuro-oncology research. With this new funding they will be able to continue developing better treatments for childhood brain tumours.

Thank you once again for your support, it is greatly appreciated.

With best wishes
